**"We know that God is always at work for the good of everyone who loves him. They are the ones God has chosen for his purpose."
Romans 8:28-CEV**

What does this verse mean? Do you think it means if we love God, we will have easy lives?

OR do you think it means if we love God, we will have *blessed* lives?

God is in the business of making us *holy*- that is what is best for us!

We learn how to be holy by discovering more about God through the Bible.
