

Update 2: Earthquake in Chile

1st March. Melvin Rivera Velázquez, UBS Americas Area Secretary, writes:

Dear colleagues,

Francisco Viguera, Executive Director of the Bible Society of Chile (BSC), reports that Claudio González, Finance Consultant and BSC employee, who was at the epicenter of the earthquake, is alright. José Miguel, Distribution Manager, and two other promoters who were in Temuco are also doing well.

Thank you, Lord!

They do not have news from our sister in charge of the Concepcion branch, or the two people who assist her, or the two Bible promoters for the affected areas.

Communications with the city of Concepción has not been re-established yet. BSC staff will try to reach the city by car, although they foresee it will be a very difficult task because many bridges are down or damaged.

Let us continue to pray for the people of Chile and the Concepcion staff. May God give them peace and security.

**God is our mighty fortress,
always ready to help
in times of trouble.
And so, we won't be afraid!**

**Let the earth tremble
and the mountains tumble
into the deepest sea.
Let the ocean roar and foam,
and its raging waves
shake the mountains.**

Psalms 46:1-3 (CEV)

Cordially,

Melvin Rivera Velázquez
